<p>Bonjour. Je m'appelle _____ et je travaille pour l'Institut National de la Statistique (INS) en collaboration avec le Ministère de la Santé Publique afin d'aider le gouvernement et les communautés à mieux connaître les services de santé.</p> <p>Votre établissement a été sélectionné au hasard pour participer à cette étude. Nous aimerions vous poser des questions concernant les services de planification familiale et de santé reproductive. L'information sur votre structure pourra être utilisée par des organisations de santé pour planifier des améliorations de service ou pour de prochaines études. Des chercheurs utiliseront également les données collectées auprès de votre structure à des fins analytiques. Cependant, le lieu et le nom de votre établissement seront masqués par un identifiant généré aléatoirement que seul vous et l'équipe du projet connaissons, et toute information ou rapport incluant votre établissement ne présentera vos informations que de manière agrégée ou en masquant le nom et le lieu de votre établissement pour qu'il ne puisse pas être identifié. Nous aimerions revenir régulièrement (2 fois par an) pour actualiser les données de votre établissement ou pour interviewer un échantillon de vos client(e)s concernant les services qu'ils ont reçus. Ces mises à jour semestrielles seront courtes et comprendront moins de questions. L'enquête sera présentée et le consentement individuel de chaque répondant(e) sera obtenu avant de les interviewer. Nous vous demandons de bien vouloir nous aider à assurer l'exactitude de l'information collectée. Si quelqu'un est mieux placé pour répondre à certaines de nos questions,</p>	

<p>nous vous serions très reconnaissants de nous présenter à cette personne. Participer à cette enquête n'engendre aucun bénéfice direct pour vous. Cependant, il y a un bénéfice pour le gouvernement et ses partenaires qui utiliseront des informations pour améliorer leurs services de santé, particulièrement ceux de santé reproductive. Vous pouvez refuser de répondre à toute question pour laquelle vous n'êtes pas à l'aise pour répondre. Vous pouvez aussi interrompre l'interview à tout moment. Pour toutes questions ou préoccupations concernant l'étude, vous pouvez contacter le Directeur de l'étude, M. Souleymane Alzouma au numéro téléphonique suivant Tél + (227) 20723560. Avez-vous jusqu'ici des questions sur cette enquête ?</p>
