INFORMED CONSENT
Find the woman between the ages of 15-49 associated with this Female Questionnaire. The interview must have auditory privacy. Read the following greeting:

009a	<p>Hello. My name is _____ and I am working for Center for Research, Evaluation Resources, and Development and the Centre for Advance Medical Research. We are conducting a local survey that asks women about various reproductive health issues. We would very much appreciate your participation in this survey. This information will help us inform the government to better plan health services. The survey usually takes between 15 and 20 minutes to complete. Whatever information you provide will be kept strictly confidential and will not be shown to anyone other than members of our survey team.</p> <p>Participation in this survey is voluntary, and if we should come to any question you don't want to answer, just let me know and I will go on to the next question; or you can stop the interview at any time. However, we hope that you will participate in this survey since your views are important.</p> <p>At this time, do you want to ask me anything about the survey?</p>
